E.J. DIAS SPEAKS AT WOMAN'S CLUB

In an interesting and amusing talk Mr. Earl J. Dias spoke on "Some Aspects of Entertainment" at the meeting of the Mattapoisett Woman's Club held last Thursday afternoon in the Congregational Church parish hall. Mr. Dias spoke of the movies today and gave his basic seven formulas of which the movies are comprised. He also touched briefly on the contemporary theatre. Mr. Dias is professor of English at the New Bedford Institute of Technology and is also the drama critic at the Standard Times. The program was sponsored by the Literature-Drama group of the club, Mrs. Charles B. Dunn, chairman. In the absence of the chairman, Mr. Dias was introduced by Mrs. Ross Hopkins.

Mrs. Grace Engesser presided at the business meeting and the invocation was given by Mrs. Charles J. Johnson, Jr. A moment of silence was observed in honor of the late Miss Bessie Noland of Fairhaven, the third District Director.

Mrs. Engesser read an article from the State Federation Mid-Winter meeting where it was decided that the Federation would demand that comics and pornographic material on television be removed from the public. The president also announced that May 6th would be tree planting day at the Memorial Forest in Sudbury, and on
